Staying in Touch
with Kathy Sullivan

“Summertime and the living is easy; In the good old summertime; Those lazy hazy crazy days of summer,” whichever is your favorite summer song lyric, you probably can’t help humming it these days. The weather is beautiful, the flowers are blooming, the sun is shining late into the day and overall, our spirits can’t help but be uplifted.

Speaking of uplifting, we’ve hung the flag and attended the parades for Memorial Day and Independence Day and we’ve had a chance to recognize the soldiers who bravely defended our country. Younger people think there’s only one day of the year that we celebrate our veterans—Veterans Day. But we know that every day should be a day to support our veterans. That’s why this issue of *Lease News & Views* is dedicated to this great country of ours and our veterans who have sacrificed so much to keep us safe.

QLT Consumer Lease Services has lots of American pride. That’s why everyone at QLT who provides you with service is located in the U.S. The customer service representatives who answer your calls, the staff who process your payments and the engineers who maintain your leased phones are all based right here in the U.S. Not only that, we employ Americans who have the same high standards for quality that we embody. We believe that our customers deserve the very best we have to offer and we are committed to delivering that with every interaction you have with us or our products.

At this time each year we like to take this opportunity to reflect upon those things for which we are grateful as well as those products we are proud to offer you. That’s why each year we renew our pledge to you, our customers, to always provide quality products and convenient and exceptional service. Remember, your leased product(s) is completely covered by all the Lease Service Benefits.

Are you taking advantage of our popular and FREE *Lease Rewards*® card? Just for being a valued customer you are eligible to use the card and save on Prescription drugs and Vitamins as well as Vision care and Hearing care. Getting started is just a phone call away at 1 (888) 831-4311 or by signing up with the attached form in this issue of *Lease News & Views*. Get your free card today and start saving!

We are so grateful to all of our wonderful customers across this great country and we look forward to continuing to provide you with the absolute best quality, care and convenience. We hope you are enjoying the summer.

Sincerely,

Kathy Sullivan, CEO

Showing Our American Pride

QLT Consumer Lease Services believes strongly in the tenets of what make this country great. We believe in hard work, integrity and helping out our fellow person. That's why *Serviced in the USA* are not just words to us, they're a mantra. It's important that we keep work right here in our country and that we help keep our fellow Americans employed.

It's because of the actions of our brave veterans that we at QLT Consumer Lease Services and those of you still working as well, have the ability to work where we want to work and employ fellow Americans when we have positions to fill. We can never forget the debt of gratitude we owe these heroic men and women.

At QLT Consumer Lease Services we have strict guidelines for delivering quality products. This is reflected in the care and attention we give to all of our services and products we offer you. We are proud of the fact that QLT services are **100 percent US-based**. We serve you from facilities located in the USA and we employ Americans who have the same high standards for quality that we do. Our headquarters are located in Cedar Knolls, New Jersey. When you need help and call our Lease Customer Helpline, you are speaking with our representatives in Philadelphia, Pennsylvania or Miami, Florida.

Our warehouse and repair and distribution center is located in Harrisburg, Pennsylvania. Your payments are processed in Phoenix, Arizona. As you can see, we believe in employing people across the country.

We like to make the process of leasing a phone or phone accessory as easy as possible. We do this through services such as our Flexible Lease Options⁺ and our Standard Next Business Day Delivery Service.* All you have to do is call our Customer Helpline at **1 (800) 555-8111** and place an order with us by 6pm ET (Monday through Friday) and we will deliver the product to your home or office the next business day—at no additional charge.*

Interesting Facts about Veterans

- Of our 44 presidents, 30 held positions in the U.S. Military. Presidents Washington and Eisenhower earned the rank of five-star General and President Theodore Roosevelt earned the Medal of Honor.
- Three states have more than one million veterans calling their state home. They are: California, Florida and Texas.
- Veterans Day is observed in the United States on November 11, which

is when World War I hostilities formally ended (on the 11th day of the 11th month at the 11th hour). Memorial Day is the day when we pay tribute to those who died in combat while Veterans Day is the day when we pay tribute to all veterans, dead or alive.

- There are nearly 22 million veterans in the U.S. Nearly two million are female.
